

Payment Options for International Students

Your education is a valuable investment in your future. When you graduate, your education can provide a competitive edge and help open the door to a rewarding and personally satisfying career. What is more, the skills you learn will last throughout your career.

We at ITD Canada are committed to your success. For that reason, our Student Financial Services Department has developed **five payment options** that will help you cover your tuition expenses while attending ITD Canada.

1. Quarterly Payment Plan

- ✓ Students can pay their first year tuition over the first **3 consecutive quarters**.

Example: If you are enrolled in the Fall 2018 class, where classes start October 01, 2018 and your tuition is **\$17,300** and, you have already submitted your \$4,830 deposit; your payment schedule for the balance will be the following:

Tuition Deposit: \$4,830

The submission of the tuition deposit is necessary to give you ample time to apply for your study permit. The tuition amount that remains can be paid **10 days before** your future quarters of study.
